***Opening Prayer:**

Steadfast and loving God, so often we come before you bearing only our concerns. We get so weighed down with our worries that we forget to sing your praises. So now we lay our grief, pain and worries aside for a short while, with the assurance that they're already safe with you. Help us remember that it's important to take time to sing praise for your very presence in our lives. So, we give you thanks, O Lord, and with our whole hearts, we sing your praise! Amen.
